2 Details of items to be registered — Explanatory notes

- A Item** – Each item for which assistance is sought must be registered separately. General descriptions, for example, hardware, essences or components, cannot be accepted – a schedule of items may be provided if necessary.
- B Detailed description of use of item in process** – A general description including how or where the item is used in the manufacturing process, to enable eligibility to be determined, for example, flour as a material input to bread making.
- C Name and address of manufacturer** – A **Manufacturer's Certificate (TAS027)** form, completed by the manufacturer stating where the item was made, must be submitted with this application. If the item(s) were not manufactured or produced on the mainland of Tasmania, you must also provide a letter from the manufacturer detailing any processing performed on the mainland of Tasmania before shipment to either King Island or the Furneaux Group.
- D Name and address of supplier (if different to manufacturer)** – The name and address of the supplier if item(s) were purchased from a business other than the manufacturer. If this is the case, you must provide a **Supplier's Certificate (manufacturing) (TAS028)** form completed by the supplier of the item(s). This is additional to the form provided by the manufacturer.
- E Details of freight paid** – If the freight cost is included in a Free Into Store (FIS) price, the **Manufacturer's Certificate (TAS027)** form or **Supplier's Certificate (manufacturing) (TAS028)** form must also detail the freight component.
Note: Supplier and/or manufacturer letters will need to be provided every 2 years or on request.
