## Migration Program – 2022-23 planning levels

CATEGORY: Migrants, refugees and visitors

The 2022-23 Migration Program will remain at a ceiling of 160,000 places.

The Migration Program will have an emphasis on skilled migration. Increasing skilled migration will make up for slower migration during COVID-19 and help Australia compete for international skills and talent. Migration brings benefits to the country including skills, innovation, trade and connection to the world.

This measure is not subject to the passage of legislation.
