Women's Health Package

CATEGORY: Your health

Introduction of Magnetic Resonance Imaging (MRI) service

This initiative will introduce a Magnetic Resonance Imaging (MRI) service for conditions that affect women's fertility. This initiative is part of a broader proposal on Strengthening Women's Health to improve their health and lead more productive lives.

This measure is subject to the passage of legislation.

Who does this affect?

This affects patients eligible for this MBS item and health professionals providing these services.

When will this start and finish?

This will start on 1 November 2022 and is ongoing.
