

## When to use this form

Use this form if you have not received a rebate from a ferry service operator for the transport of an eligible passenger vehicle across Bass Strait.

Claims must be lodged within 12 months of the shipment date.

## Bass Strait Passenger Vehicle Equalisation Scheme

The Bass Strait Passenger Vehicle Equalisation Scheme aims to reduce the cost of sea travel between mainland Australia and Tasmania, by providing a rebate for transporting eligible passenger vehicles across Bass Strait.

To claim you must be the driver of the eligible vehicle and have accompanied the vehicle across Bass Strait.

You cannot claim if you did not accompany the vehicle, unless:

- you had a medical condition that prevented you travelling with the vehicle, or
- your vehicle was transported by sea between King Island or the Furneaux Group and the Australian mainland, and there were no shipping services with passenger facilities.

For further details about the Bass Strait Passenger Vehicle Equalisation Scheme, go to [infrastructure.gov.au](http://infrastructure.gov.au) and search for 'Bass Strait Passenger Vehicle Equalisation Scheme'.
