### Family Tax Benefit and ABSTUDY School allowances

#### Students 16 years or older

Families can receive both Family Tax Benefit and ABSTUDY Living Allowance and/or means tested School Fees Allowance if the student is 16 years or older and is living away from home to study.

#### Students younger than 16 years

Provided all eligibility conditions are met for both payments, Family Tax Benefit and ABSTUDY can both be paid for a student younger than 16.

---

The sooner you apply, the sooner you can be paid.

---

## ABSTUDY Remote Areas question information

---

### Student details

#### Aboriginality

ABSTUDY is only for Australian Aboriginal and Torres Strait Islander peoples. If there is any doubt about the student's identity as an Australian Aboriginal or Torres Strait Islander, you will be asked to provide proof.

---

### Away from home details

#### Will the student be living away from home to study in the school year?

Living away from home to study means the student is staying somewhere other than where they normally live. Living away from home as a secondary student means the student is boarding in another person's home, boarding at a hostel or at a boarding school. Secondary students must be approved for one of the away from home reasons listed in question 14.

#### Why will the student be living away from home?

##### Travelling Distance rules

A secondary school student meets the travelling distance rules if the distance (by the shortest practicable route) between the student's permanent home and the nearest state school, at which the student is qualified to enrol, is at least:

- 56 kilometres (Rule 1), or
- 16 kilometres, **and** the distance between the student's permanent home and the nearest available transport service to that state school is at least 4.5 kilometres by the shortest practicable route (Rule 2).

Rule 2 also applies if the distance between the home and that state school is at least 16 kilometres and there is no transport to that school. If there is no transport service but it would be provided if requested then the distance between the student's permanent home and the transport service to the nearest state school must be at least 4.5 kilometres in order to meet Rule 2.

---

*Continued*

Where a transport service exists (or would be available upon request) to the nearest state school, the calculation of the distance is based on the route from the permanent home to the nearest transport pick-up point, and then from the pick-up point to the nearest state school. This is the case even if a more direct route is available by private vehicle from home to the school. Where no transport service exists to the nearest state school, the calculation of distance is to be based on the distance from the permanent home to the nearest state school by the most direct route in a private vehicle.

You may be asked to provide the distances to a school transport service and/or nearest state school. Evidence to confirm the distances may also be requested.

**Do you want ABSTUDY to help with the student's travel bookings in the school year?**

There are restrictions on the payment of Fares Allowance. Secondary students are not normally able to get Fares Allowance for interstate travel. Fares Allowance may be paid where:

- the student's home is near a border and it is more appropriate for them to study at a closer interstate location
- there are no boarding places in your home state or territory, or
- it costs less to travel interstate than to another school in the same state or territory.

If you have a sibling attending an interstate school and they are approved for interstate travel based on cost effectiveness, Fares Allowance can be approved for you to attend the same school.

If the student requires assistance with travel and is boarding at a school or hostel, contact your school to arrange travel with us once your claim has been granted. If boarding privately, contact us on **1800 132 317** to lodge a travel request.

A Safe Travel Plan is a mandatory requirement for all students younger than 18 years. Safe Travel Plans help to make sure students travel safely and as planned by allowing the school, in consultation with the boarding provider and the student's parent(s)/guardian(s), to organise the student's travel and plan for any disruptions throughout the journey.

Safe Travel Plans provide the school, boarding provider, parent(s)/guardian(s) and student with clear instructions on what to do and who to contact if something unexpected occurs.

The student's school, in consultation with the student's parent(s)/guardian(s), and boarding provider, if applicable, is responsible for developing the Safe Travel Plan.

## Health Care Card

ABSTUDY Living Allowance customers will automatically qualify for a Health Care Card.

If you receive other ABSTUDY payments you may qualify for a Low Income Health Care Card.

For more information about a Low Income Health Care Card, go to [servicesaustralia.gov.au/lic](http://servicesaustralia.gov.au/lic)

---

## Definitions

A **parent/guardian** is:

- the natural or adoptive parent with whom the ABSTUDY student lives – if the parent is a member of a couple, also include their partner
- any other person on whom the ABSTUDY student is wholly or substantially dependent.

If neither of the above applies, the parent/guardian is the natural or adoptive parent with whom the ABSTUDY student last lived.

**Step parent**

A step parent's income is included if the:

- step parent is the parent's partner
- step parent lives with the parent, and
- ABSTUDY student's permanent home is the same as the home of the parent and step parent.

The ABSTUDY student may occasionally live away from that home for temporary absences and still be assessed on their parent/step parent's income.

*Continued*

### **Having a partner**

We consider you to have a partner and be a member of a couple if you are either:

- married
- in a registered relationship. This is when your relationship is registered under a law of a state or territory.
- in a de facto relationship. This is when you and your partner are in a marriage like relationship but you are not married or in a registered relationship.

We may still consider you a member of a couple if you are not actually living with your partner. For example, your partner may fly-in fly-out or live away for work, like military or oil rig workers.

For more information, go to [servicesaustralia.gov.au/moc](http://servicesaustralia.gov.au/moc)

### **Hostel**

To receive ABSTUDY payments when residing in a hostel as a Secondary student, the Hostel must be a signatory to the ABSTUDY Standard Hostel Agreement or is listed as a member of the Aboriginal Hostels Limited (AHL) institutions. More information can be found at [ahl.gov.au](http://ahl.gov.au) or call the ABSTUDY line on **1800 132 317**.

### **Private boarding**

Private boarding is a homestay arrangement that accommodates less than 5 students (excluding the providers own children). If 5 or more students do, or will live on site, the accommodation will be considered a hostel for the purposes of secondary students ABSTUDY payments. It is then required to join the ABSTUDY Standard Hostel Agreement.

## **Parent(s)/guardian(s) details**

### **Parental Income Test**

The Parental Income Test includes:

- taxable income plus fringe benefits received from employers
- income from outside Australia
- net investment losses, including negative gearing from property and shares
- reportable superannuation contributions
- tax free pensions and benefits.

You may be exempt from the Parental Income Test if your parent(s)/guardian(s) is/are:

- receiving a pension, benefit, allowance or ABSTUDY Living Allowance (excluding Family Tax Benefit, Child Care Subsidy, Carer Allowance or Mobility Allowance)
- holder(s) of a Health Care Card due to receiving a maximum rate of Family Tax Benefit Part A.

The waiving of the Parental Income Test lasts for as long as the above circumstances apply.

### **The BASE tax year**

An assessment is normally based on the parental income for the BASE tax year.

The BASE tax year is the financial year ending before 1 January of the year of study.

### **A CURRENT tax year assessment**

If you are completing this form between September and December, you will need to provide information for both the BASE tax year and the CURRENT tax year. An assessment can be based on the CURRENT tax year where there has been a substantial decrease in parental income that is likely to continue for at least 2 years.

You will need to apply for a CURRENT tax year assessment for this reason and documentation is usually required. Estimates of income may be acceptable until a Notice of Assessment is available.

A CURRENT tax year assessment may also be applied where parental income for the financial year immediately following the BASE tax year exceeds the BASE tax year income by more than 25%. This assessment applies from 1 October.

Refer to the appropriate year of payment listed below to work out the appropriate tax year:

*Continued*

The year of payment (calendar year)	The appropriate BASE tax year (1 July to 30 June)	The appropriate CURRENT tax year (1 July to 30 June)
2021	2019–20	2020–21
2022	2020–21	2021–22
2023	2021–22	2022–23
2024	2022–23	2023–24

If a claim is being lodged for a dependent student or Australian Apprentice between September and December of the study year being claimed, parental income details for the CURRENT tax year should also be provided (in addition to those for the BASE tax year). If the dependent student or Australian Apprentice will be continuing study or an Apprenticeship next year, providing parental income details for the CURRENT tax year on this form will help us more quickly assess the eligibility of the student or Australian Apprentice for next year as well.

### Proof of income

If you have a Notice of Assessment issued by the Australian Taxation Office, a copy of this must be provided as proof of income. However, if it has not been issued or is not available, or you have additional income, you should discuss this with us. You may be able to verify your income by providing a full income tax return and payment summaries or a letter from your employer(s) which must have the employer's name and address on them.

### Reportable fringe benefits

Employer provided benefits (fringe benefits) received from an employer are counted as income under the Parental Income Test.

Your parent(s)/guardian(s) must tell us the amount of any exempt fringe benefits received from an employer who is a not for profit organisation and any other reportable fringe benefits.

Examples of reportable fringe benefits provided by employers:

- helping pay rent or a home loan
- providing a car
- paying health insurance premiums
- paying child care expenses.

An employer's contribution to a complying superannuation fund is not a fringe benefit.

The value of any reportable fringe benefits will be recorded on your parent(s)/guardian(s) payment summary for the financial year ending 30 June. Your parent(s)/guardian(s) can ask their employer to tell them the amount that is expected to be shown on their payment summary.

### Exempt fringe benefits

Exempt fringe benefits are any reportable fringe benefits received from not for profit organisations eligible for a fringe benefits tax exemption under section 57A of the *Fringe Benefits Tax Assessment Act 1986*.

### Other reportable fringe benefits

Any reportable fringe benefits received from all other employers that are not eligible for a fringe benefits tax exemption.

### Net investment losses

Net investment losses include net losses from rental property (negative gearing) and non-property income investments such as shares. Investment income include taxable and tax-exempt interest, dividends and rental income. The value of such losses is added back to parental income for the Parental Income Test.

### Reportable superannuation contributions

Reportable superannuation contributions are counted as part of parental income and include discretionary employer superannuation contributions (such as voluntary salary sacrificed amounts) paid by your parent(s)/guardian(s) or on their and, for the self-employed, total superannuation contributions which will be claimed as a tax deduction.

If your parent's/guardian's are affected they must provide their payment summary or personal income tax return that shows the contribution.

*Continued*

### **Tax free pensions and benefits**

Tax free pensions and benefits are certain non-taxable pensions or benefits received in the relevant tax year from Services Australia, the Department of Veterans' Affairs or the Military Rehabilitation and Compensation Commission. It includes Disability Support Pension, Carer Payment or Wife Pension and similar pensions or benefits. It does not include Family Tax Benefit, Child Care Subsidy, Carer Allowance and Mobility Allowance.

### **Maintenance Income (including child support)**

Maintenance paid out for any dependent children is deducted from the combined parental income for the Parental Income Test.

Maintenance income for the upkeep of a child or partner maintenance can include any of the following:

- cash
- lump sum payments and non-cash amounts
- utilities charges
- school fees
- other payments made on behalf, or for the benefit, of the child.

### **The Maintenance Income Test**

The Maintenance Income Test may be applied where maintenance is received for dependent children 16 years or older.

Maintenance your parent(s)/guardian(s) receive for any dependent children is included in the Maintenance Income Test. Your parent(s)/guardian(s) will need to supply details of any maintenance they receive.

### **Farm Household Allowance**

Farm Household Allowance (FHA) is a payment to assist farming families who are experiencing difficulties in meeting family and personal living expenses.

A person may get FHA if they are a qualifying farmer or partner of a farmer.

For more information about FHA, go to [servicesaustralia.gov.au/rural](http://servicesaustralia.gov.au/rural) or call us on **132 316**.

While a parent/guardian of a dependent ABSTUDY customer is in receipt of FHA, the parental income test is not applicable.

### **Other dependent children**

Other dependent children who are in your parent(s)/guardian(s) care may be taken into account for the Parental Means Test, to make sure the effect of the test is divided across all children in the family. These children are included in what is called the ABSTUDY customer's family pool.

Other dependent children includes children in your parent(s)/guardian(s) care if the child:

- is being paid one of the following payments as a dependent (that is their payment is also subject to the Parental Means Test):
  - Youth Allowance (YA)
  - ABSTUDY Living Allowance or School Fees Allowance
  - Assistance for Isolated Children (AIC) Additional Boarding Allowance, or
- meets the definition of a Family Tax Benefit (FTB) child (that is they are 0 to 19 years and if 16 to 19 years, they are studying at secondary school). If there is a shared care arrangement in place for the child, this will also be taken into account.

**Example:** Taylor is a dependent 19 year old who lives away from home to study a Bachelor of Nursing at university. Taylor's parents earn \$120,000 per year. If Taylor was an only child, she would not be eligible for ABSTUDY because of her parents' income. However, as Taylor has a younger brother who is also receiving ABSTUDY, Taylor is able to receive ABSTUDY, and, if applicable, Rent Assistance and a Relocation Scholarship.

It is important to let us know when your family circumstances change, to make sure you are receiving the correct rate of payment.

*Continued*

### Rent Assistance

Rent paid by your parent(s)/guardian(s) may be included in the family pool which forms part of the Parental Income Test. It may increase the rate of payment you receive.

If your parent(s)/guardian(s) are paying rent but not receiving Rent Assistance from us, then their rental details will need to be verified.
