- be under the minimum school leaving age, and

 - qualify for independent status as an orphan or whose parent(s)/guardian(s) cannot exercise their responsibilities, or
 - in state care.

Question information

Having a partner

Question 22: Relationship to you – Your partner

We consider you to have a partner and be a member of a couple if you are either:

- married
- in a registered relationship. This is when your relationship is registered under a law of a state or territory.
- in a de facto relationship. This is when you and your partner are in a marriage like relationship but you are not married or in a registered relationship.

We may still consider you a member of a couple if you are not actually living with your partner. For example, your partner may fly-in fly-out or live away for work, like military or oil rig workers.

For more information, go to servicessaustralia.gov.au/moc

Partner Permitted to Enquire

Question 27: Partner Permitted to Enquire

Allowing your partner to enquire on your behalf may save you time when dealing with us. It will let you and your partner use more self-service functions online and over the phone.

If you give your partner **permission to enquire**, it will allow your partner to ask questions about your Centrelink payments and services. They could ask us:

- your current rate of payment
- the reason your payment has stopped
- the reason your payment has gone up or down, for example, income and assets, debt and back payment information.

They **can** tell us how much you earned, changes in your circumstances and view your details online.

They **cannot**:

- act on your behalf with Centrelink
- apply for payments for you
- fill in and sign forms and statements on your behalf
- come to appointments for you.

You have a right to have your personal information kept private. For more information, go to servicessaustralia.gov.au/privacypolicy

Changing your partner's permission to enquire is your choice and you can change this permission at any time.

If you think your partner is misusing the arrangement, call **132 850** or visit one of our service centres.

If you are affected by family and domestic violence, there is help available. Call **132 850** Monday to Friday, 8 am to 5 pm local time, and ask to speak to a social worker. Otherwise, you can contact 1800RESPECT (**1800 737 732**), a 24 hour service. If you are in immediate danger, call **000**. For more information, go to servicessaustralia.gov.au/domesticviolence

Tax details

Question 37: How to get a tax file number (TFN)

There is a special tax file number application/enquiry form for Aboriginal or Torres Strait Islander peoples.

You can get this form from one of our service centres or the Australian Taxation Office.

To get a TFN you will have to confirm your identity.

You can find out what you need from us or the Australian Taxation Office.

Tax file number exemptions

ABSTUDY customers who do not have to give us their TFN are:

- a student who is younger than 16
- a person who receives a social security pension or Special Benefit from Centrelink or certain pensions from the Department of Veterans' Affairs (DVA)
- a person who is temporarily outside Australia
- a person who lives permanently outside Australia and does not earn income in Australia
- a person who is required to attend traditional ceremonies at the time the ABSTUDY claim is lodged
- a person whose physical safety is at risk from another person and the risk would be increased by disclosure of a tax file number, or
- a person who has lost all records of their TFN because of fire or flood damage to their home in the 6 months before applying for ABSTUDY.

If you think any of these situations apply to you, provide a note with your claim. But remember, you must give your tax file number when you return from outside Australia or after attending the traditional ceremony.

Changes you must tell us about

You must tell us **within 14 days** about events or changes in circumstances affecting your payment. You can tell us by writing, phoning or going into one of our service centres.

You must tell Centrelink if

you or your partner:

- stop receiving a social security or Department of Veterans' Affairs pension, benefit or allowance
- no longer hold a current Health Care Card.

the student:

- stops attending school
 - is sick or injured and cannot continue study
 - stops living with you and is no longer dependent on you.
-

Change in address

If you change your address, you should advise us immediately. If mail is returned to us unclaimed, your payments may be stopped.

Community Engagement Officers

These officers can help you:

- manage your income support and other business with us
- link with government and community services for assistance and other support.

They provide Centrelink services in locations like mental health facilities, general crisis or support services, specialist accommodation services, youth services, drug and alcohol services, family and domestic violence services, and organised meeting places.

For more information, go to servicesaustralia.gov.au/communityofficer

Family Tax Benefit and ABSTUDY School allowances

You can still receive Family Tax Benefit for a child younger than 16 for whom you are claiming ABSTUDY School Fees Allowance and School Term Allowance.

Indigenous Services Officers

These officers are located in some of our service centres. We also have interpreters who speak Aboriginal or Torres Strait Islander languages and teams who visit and help remote communities.

Remote Area Allowance

Remote Area Allowance is an extra payment for customers living in remote areas. It recognises that many customers who do not pay tax, or very little tax, do not get the full benefit of tax zone rebates. Remote Area Allowance makes a contribution towards some of the costs associated with living in particularly remote areas.

For more information, go to servicesaustralia.gov.au/remotallowance

We have professional social workers in our service centres and smart centres throughout Australia. Social workers can offer you personal counselling and support in difficult times, such as domestic and family violence, severe financial hardship, homelessness, loss and bereavement.
