

Application for approval, amendment or renewal of premises as an accredited pathology laboratory (HW010)

When to use this form

This form should be used by an approved pathology authority (APA) to apply for, renew or amend your approval of premises as an accredited pathology laboratory (APL) under section 23DN of the *Health Insurance Act 1973*.

Important information

Payment is not required until your premises has been Approved in Principle (AIP).

If your premises is AIP, a request for payment will be sent by standard mail and email, if you provided an email address on this form.

Your approval will be granted and provided to you when payment is received.

For renewal applications, make sure the date you sign the application and send it to us is no more than 3 months before your current approval expires.

If your APL has expired, you will need to provide a letter of request telling us why your application is late. Backdated approvals can only be granted by the Services Australia delegate within one month of the previous approval's expiry date.

Amending an existing APL can include an APL that is relocating to another location. A relocation is an application to close an existing APL and an application for a new APL.

Laboratory accreditation fees:

Category GX (General)	\$2,500
Category GY (General)	\$2,000
Category B (Branch)	\$1,500
Category M (Medical)	\$750
Category S (Specialised)	\$750

A copy of the Advisory or Assessment Report from the National Association of Testing Authorities, Australia (NATA) must be submitted with this application form. Make sure the details on this form are consistent with the NATA report or your application will be deemed to be incorrect.
