

When to use this form

Use this form if you were unable to verify your identity online for your Provider Digital Access (PRODA) account.

Evidence of Identity

To finalise the registration of your PRODA account, you will need to verify your identity using:

- a Commencement of Identity document, and
- Use in the Community documents.

If your name differs between these documents, you may need to provide a change of name document.

Only provide accepted documents from the list shown or as requested by PRODA Support. These documents do not need to be certified, a copy of the original is accepted. Documents provided must be current at time of application.

A document can only be used once as either a Commencement of Identity or Use in the Community document.

Only legible, complete and official documentation can be accepted. Extracts of documents, ceremonial and commemorative certificates and low quality scanned or copied documents cannot be accepted.

A copy of a digital credential (for example, a myGov wallet digital Medicare card or Australia Post Keypass ID), is not acceptable identification for PRODA.

For your security

You must take all reasonable precautions to prevent loss, disclosure, modification, or unauthorised use of your PRODA access details.
