When to use this form

Use this form to apply for **continuing** PBS-subsidised biological medicines for patients 12 years or over with uncontrolled severe asthma.

Important information

Continuing authority applications can be made in real time using the **Online PBS Authorities** system or in writing and must include sufficient information to determine the patient's eligibility according to the PBS criteria.

Applications for **balance of supply** can be made in real time using the **Online PBS Authorities** system or by phone. Call 1800 700 270 Monday to Friday, 8 am to 5 pm, local time.

Where the term 'biological medicine' appears, it refers to benralizumab, dupilumab, mepolizumab and omalizumab.

Under no circumstances will phone approvals be granted for uncontrolled severe asthma **continuing** authority applications for benralizumab, dupilumab or mepolizumab.

The information in this form is correct at the time of publishing and may be subject to change.

Continuing treatment

This form is ONLY for continuing treatment with benralizumab, dupilumab or mepolizumab.

Applications for **continuing** treatment with PBS-subsidised **omalizumab** can be made in real time using the **Online PBS Authorities** system or by phone. Call 1800 700 270 Monday to Friday, 8 am to 5 pm, local time.

The patient remains eligible to receive **continuing** treatment providing they continue to sustain a response to treatment.

Section 100 arrangements for benralizumab, dupilumab, mepolizumab and omalizumab

These items are available to a patient who is attending:

- an approved private hospital, or
- a public hospital

and is a:

- day admitted patient
- non-admitted patient, or
- patient on discharge.

These items are not available as a PBS benefit for in-patients of a public hospital.

The hospital name and provider number must be included in this authority form.

Treatment specifics

The assessment of the patient's response to the course of treatment must be conducted within the time frame specified in the restriction. Where a demonstration of response is not conducted within the required time frame, the patient will be deemed to have failed treatment with that particular PBS-subsidised biological medicine.

A patient who has experienced a serious adverse reaction of a severity necessitating permanent treatment withdrawal is not considered to have failed treatment with that particular PBS-subsidised biological medicine.

The patient must not receive **more than 24 weeks** of treatment under this restriction.
