در این راهنما

- قدم 1: شروع كنيد
- قدم 2: تأیید مشخصات استخدام فراهم شده توسط استخدام کننده شما
- قدم 3: report employment income (د استخدام عاید راپور) که توسط استخدام کننده شما فراهم نشده است
 - قدم 4: تازه كردن الزامات Job Plan تان

نظر اجمالی بر Report employment income

Gross income مبلغی است که استخدام کننده شما قبل از کسر مالیات و سایر کسورات به شما پرداخت میکند. شما باید gross income را که استخدام کننده به شما پرداخت کرده و gross income را که استخدام کننده به پارتنر تان پرداخت کرده باشد انرا در reporting period خود راپور دهید. شما میتوانید مبلغ gross pay خود را در ورق معاش خود پیدا کنید.

اگر شما در آمد خود را به صورت منظم راپور ندهید، شما باید هر در آمدی که داشته باشید در مدت 14 روز پس از پرداخت توسط استخدام کننده تان به ما بگویید.

اگر شما به صورت منظم در آمد خود را راپور دهید، شما باید در تاریخ راپور دادن تان یا بعد از آن راپور دهید.

برای اطمینان داشتن از پرداخت به موقع به شما، شما باید راپور خود را تا ساعت 5 pm 5 به وقت محلی در تاریخ راپور دادن خود تسلیم کنید. برای معلومات بیشتر به لسان انگلیسی و سایر لسانها، به servicesaustralia.gov.au/incomereporting مراجعه کنید.

شاید هم وظایف دیگری وجود داشته باشد که باید انرا انجام دهید تا به شما پرداخت ادامه داشته باشد. این ارتباط به پرداختی دارد که شما دریافت میکنید. برای معلومات بیشتر در باره mutual obligation requirements به انگلیسی و سایر لسانها، به servicesaustralia.gov.au/mutualobligation مراجعه کنید.

ما همچنان منابع ترجمه شده ای داریم که به شما کمک میکند در باره mutual obligation requirements بیشتر بدانید. به servicesaustralia.gov.au/yourlanguage مراجعه کنید، انجا که شما میتوانید معلومات را به لسان خود بخوانید یا بشنوید.

طريقه راپور دادن شما بستگی به طريقه راپور دادن شما دارد. برخی از دستور العمل های اين راهنما ممكن است بر شما صدق نكند.

بعضی از استخدام کنندگان از Single Touch Payroll (STP) استفاده میکنند. این به این معنی است که آنها معلومات شما را به طور اتومات برای ما و Australian Taxation Office (ATO) ارسال میکنند. ما از آن برای employment income report شما استفاده میکنیم. شما میتوانید قبل از ادامه دادن، ان معلومات را بررسی کرده و سپس راپور خود را تکمیل کنید.

شما ممکن است لازم باشد مشخصات را تغییر دهید یا اضافه کنید تا راپور شما کامل و صحیح باشد. معلوماتی که ما داریم به طریقه راپور دادن معاشات استخدام کننده شما ارتباط دارد.

پس از انکه شما معلومات را بررسی کنید، ان employment income report شما را خانه پری میکند. اگر شما یک پارتنر دارید، ما معلومات او را از قبل خانه پری نمیکنیم که شما انرا بررسی کنید.

قدم 2: تأیید مشخصات استخدام فراهم شده توسط استخدام کننده شما

یک پیام Before you report به شما میگوید که معلومات استخدامی از قبل خانه پری شده برای بررسی وجود دارد، اگر مشخصات استخدام از سوی استخدام کننده شما در دسترس باشد.

اگر ما معلومات از پیش خانه پری شده را نشان ندادیم، به **قدم 3** بروید.

وقتیکه استخدام کننده شما برای اولین بار مشخصات شما را به ما میدهد، ما نام استخدام کننده شما و Australian Business Number (ABN) یا شماره Withholding Payer Number (WPN) انرا به شما نشان خواهیم داد. شما باید انرا تأیید کنید که اگر برای آنها کار میکنید. ما تا راپور بعدی شما در آمد شغلی شما را از قبل خانه پری نمیکنیم.

استخدام کنندگان ممکن است نام تجارتی متفاوتی با نام تجاری ثبت شده خود داشته باشند. اگر شما نام استخدام کننده را نشناختید، ما نام های تجارتی یا شرکت متفاوت استخدام کننده را نشان خواهیم داد.

اگر شما بیشتر از یک استخدام کننده Single Touch Payroll دارید، باید معلومات از پیش خانه پری شده را برای هر استخدام کننده یک یک تأیید کنید.

مشخصات استخدام کننده برای پارتنر شما به طور اتومات تازه نمیشود. اگر شما به کمک ضرورت دارید، معلومات را با **علامت سوال** در هر صفحه بخوانید.

در next reporting date (تاریخ راپور بعدی) به شما خواهیم گفت مت بعضی از مشخصات پرداخت را از قبل خانه پری کرده ایم و چه کارهایی ممکن است لازم باشد که شما انجام دهید. **Check employment details** را انتخاب کنید.

شما نمیتوانید برخی از انواع در آمد کاری را برای استخدام کنندگان non-Single Touch Payroll وارد کنید. این شامل پاداش ها، در آمد کمیشن یا پولی است که پس از تاریخ توقف کار برای این استخدام کننده به شما پرداخت میشود. برای ما از سایر در آمدهای کاری پرداخت شده اطلاع دهید، از Manage income and assets service در

ما ممکن است بعضی از **Reporting tips** را نشان دهیم تا به شما در راپور دادن درست کمک کنیم. اگر شما این پیام را دریافت کردید، لطفاً آن را بخوانید، سپس برای ادامه، **Got it** را انتخاب کنید.

Reporting tips

Here are some tips to help you report the right way:

- Report the gross amount you were paid before tax and other deductions, not the net amount. You'll find this on your payslip.
- Report your partner's gross employment income, even if they're not on an income support payment.
- If you're <u>self-employed</u>, don't report here.
- Don't send us your payslips unless we ask you to.
- Report before 5pm local time on your reporting date to get paid on time.

For more information visit Services Australia - Report Income.

Got it

صفحه Report Employment Income نشان میدهد:

- هر گونه مشخصات در آمد Single Touch Payroll که تأیید کرده باشید
 - reporting period شما
 - Gross employment income شما و پارتنر تان
 - Hours this period برای شما و پارتنر تان.

شما همچنان میتوانید یکی از انتخاب های زیر را انتخاب کنید:

- Previous reports برای دیدن و تغییر در آمد که برای حداکثر 6 دوره راپور گذشته خود راپور کرده باشید. این شامل استخدام کنندگان Single Touch Payroll نمیشود.
 - Upcoming reporting periods برای دیدن حداکثر 6 دوره راپور دادن آینده.

اگر شما ضرورت به راپور دادن منظم دارید، راپور خود را در تاریخ مقرر ارسال کنید. اگر به طور منظم راپور نمیدهید، شما میتوانید در هر وقت از این خدمت استفاده کنید تا درآمد کاری خود را به ما اطلاع دهید. شما باید این کار را در ظرف 14 روز پس از پرداخت توسط استخدام کننده تان انجام دهید.

اگر شما و پارتنر تان هیچ درآمد کاری دیگری در reporting period (دوره راپور دادن) خود دریافت نکرده باشید، Continue (دوره راپور دادن) خود دریافت نکرده باشید، Continue انتخاب کنید، ممکن یک پیام Submit partial report ظاهر شود. این یک اگاهی برای شما است که بررسی کنید همه چیز هایی را که باید به ما بگویید در آن شامل شده است. اگر شما ضرورت به اضافه کردن چیز دیگری ندارید، برای ادامه، Yes, submit repor را انتخاب کنید.

اگر شما یک Job Plan دارید، به قدم 4 بروید تا الزامات خود را را پور دهید.

اگر شما Job Plan ندارید، برای بررسی و ارسال معلومات خود به **قدم 5** بروید و سپس راپور خود را تکمیل کنید.

Centrelink online account help – Report employment income

Employment income affects your payment from us. To make sure we are paying you the right amount, we need you to report gross employment income for you and your partner.

Follow this guide to report your employment income and Job Plan requirements using your Centrelink online account.

In this guide

- Step 1: get started
- Step 2: confirming employment details provided by your employer
- Step 3: report employment income not provided by your employer
- Step 4: update Job Plan requirements
- Step 5: review and submit your update
- Step 6: sign out

Report employment income overview

Gross income is the amount your employer pays you before tax and other deductions. You must report the gross income your employer paid you, and gross income your partner's employer paid them, in your reporting period. You can find your gross pay amount on your payslip.

If you do not report income regularly, you need to tell us about any income you get within 14 days of being paid by your employer.

If you report income regularly, you need to report on or after your reporting date

To make sure you get paid on time, you must submit your report by 5 pm local time on your reporting date. For more information in English and other languages, go to **servicesaustralia.gov.au/incomereporting**.

There may be other tasks or activities you need to do to keep getting your payment. This depends on the payment you get. For more information about mutual obligation requirements in English and other languages, go to **servicesaustralia.gov.au/mutualobligation**.

We also have translated resources to help you learn more about mutual obligation requirements. Go to **servicesaustralia.gov.au/yourlanguage** where you can read or listen to information in your language.

How you report depends on how it is for you. Some instructions in this guide may not apply to you.

Some employers use Single Touch Payroll. (STP). This means they send your information to us and the Australian Taxation Office (ATO) automatically. We use it for your employment income report. You can review the information before you continue and then complete your report.

You may need to change or add details so your report is complete and correct. The information we have depends on how your employer does their payroll reporting.

After you check and submit the information, it will pre-fill into your employment income report. If you have a partner, we will not pre-fill their information for you to check.

The screenshots in this guide are from a computer. The page layout will look different if you are using a mobile device.

Step 1: get started

Sign in to myGov and select Centrelink.

There are 2 ways to start, using either:

- your Tasks
- the MENU.
- Using Tasks

From the Report income task, select Start task.

Using MENU

Select **MENU**, followed by **Income and assets**, then **Employment income** and **Report employment income**.

Step 2: confirming employment details provided by your employer

A **Before you report** message will tell you there is pre-filled employment information to check, if employment details are available from your employer.

If we do not show pre-filled information, go to Step 3.

When your employer gives us your details for the first time, we will show the name of your employer and their Australian Business Number (ABN) or Withholding Payer Number (WPN). You must confirm if you work for them. We will not pre-fill your employment income until your next report.

Employers may have a different trading name to their registered business name. If you do not recognise the employer name, we will show different business or trading names of the employer.

If you have more than one Single Touch Payroll employer, you will need to confirm the pre-filled information for each employer, one at a time.

The employer details for your partner will not automatically update. If you need help, read the information with the **question mark** icon on each page.

On your next reporting date, we will tell you we pre-filled some pay details and what you may need to do. Select **Check employment details**.

Before you report

We've pre-filled some pay details reported by your employer. We need you to check these details.

You may have to do one or more of the following:

- · confirm your employer
- · check the gross income amounts
- answer questions about your pay
- add pay details.

You can submit your report after you have checked your employment details.

We will show the name of your employer and their Australian Business Number (ABN) and ask if you work for them.

Select either:

- Yes if you work for the employer shown
- No if you do not work for the employer shown

Then select Next.

Step 3: report employment income not provided by your employer

You cannot enter some employment income types for non-Single Touch Payroll employers. This includes bonuses, commission income or money paid to you after the date you stop working for your employer. To tell us about other paid employment income, use the Manage income and assets service at **servicesaustralia.gov.au/centrelinkupdateotherincome**.

We may show some **Reporting tips** to help you report the right way. If you get this message, please read it, then select **Got it** to continue.

Reporting tips

Here are some tips to help you report the right way:

- Report the gross amount you were paid before tax and other deductions, not the net amount. You'll find this on your payslip.
- Report your partner's gross employment income, even if they're not on an income support payment.
- If you're self-employed, don't report here.
- Don't send us your payslips unless we ask you to.
- Report before 5pm local time on your reporting date to get paid on time.

For more information visit Services Australia - Report Income.

Got it

The Report Employment Income page will show:

- any Single Touch Payroll income details you confirmed
- your reporting period
- a Gross employment income section for you and your partner
- Hours this period section for you and your partner.

You can also select one of the options below:

- **Previous reports** to view and change income you reported for up to 6 of your past reporting periods. This does not include Single Touch Payroll employers.
- Upcoming reporting periods to view up to 6 of your future reporting periods.

If you need to report regularly, submit your report on the date it is due. If you are not reporting regularly, you can use this service any time to let us know your employment income. You need to do this within 14 days of being paid by your employer.

If you and your partner did not get paid any other employment income in your reporting period, select **Continue**, a Submit partial report message may appear. This is a prompt for you to check that everything you need to tell us is included. If you do not need to include anything else, select **Yes, submit report** to continue.

If you have a Job Plan, go to **Step 4** to report your requirements.

If you do not have a Job Plan, go to **Step 5** to review and submit your information, and then complete your report.
