Status Resolution Support Services Payment **Partner details**

When to use this form

Use this form if you are the partner of a Status Resolution Support Services (SRSS) payment customer who is currently claiming or receiving this payment from Services Australia.

We will use this information about you to work out your (if you receive a payment from us) and your partner's correct payment(s). You and your partner may also use this form to agree to Services Australia linking your customer records.

Having a partner

You have a partner if we consider you a member of a couple. We consider you a member of a couple if you are either:

- married
- in a registered relationship
- in a de facto relationship.

A registered relationship is where your relationship is registered under a law of a state or territory. A de facto relationship is where you and your partner are in a relationship similar to a married couple but are not married or in a registered relationship.

We may still consider you a member of a couple if you are not physically living with your partner. For example, your partner may fly-in fly-out or live away for work, like military or oil rig workers.

For more information, go to servicesaustralia.gov.au/moc
