Services Australia needs to know to what bank account you want your Australian pension sent. Your pension will be issued electronically in Euro.

Please note that payments may be subject to fees levied by your bank, and such fees must be paid by you.

The nominated account must be in your name, or that of your registered Human Services nominee, or it may be a joint account with another person. If you would like to register a nominee to act on your behalf in dealings with Human Services, please contact us.

If you have a copy of a bank document that shows your bank details, including your International Bank Account Number (IBAN) and the name(s) of the account holder(s) you can provide it with this form. Once the form is completed or you are able to provide a bank statement, please return it in an envelope to the address below.
