Maintaining Carer Payment and Carer Allowance

If you are getting Carer Payment or Carer Allowance and something changes, you have 14 days to let us know. Changes like if any of these things happen:

- you are not looking after the person because they got better
- the person you were looking after is being looked after by someone else
- the person you were looking after has passed away
- you start working or getting other money.

If you keep getting Carer Payment or Carer Allowance when you are not looking after the person, you will get a debt and have to pay back the money.

If you get a debt, we can help you make a plan for you to pay back the money you owe.

If you need more information you can:

- visit your local Services Australia (Centrelink) service centre
- talk to Services Australia (Centrelink) when they visit your community
- call the Indigenous call centre on 1800 136 380.

If you call us, you will need to tell us your Customer Reference Number (CRN) and answer some questions about who you are, so that we make sure it is you.

You can also ask for an interpreter when you call or visit us. We will provide one for free.
