Compliance & debt

Has something changed in your life? If it has your Centrelink payments may change too. Let us know within 14 days if you or your partner have any changes.

Some of the changes you should tell us about are if you:

- start, stop or change jobs
- start a new relationship or separate from your partner
- move house or your rent changes
- have a baby, start or stop looking after a kid or kids
- start or stop caring for someone
- start or stop training or studying.

You should also tell us if you start getting extra money from:

- Welcome to Country payments
- Native Title claim payments
- sale of art and crafts
- royalties
- consultancy fees
- sitting fees
- gate takings
- heritage survey payments
- Indigenous Land Use agreements.

We need this information to make sure you are paid the right amount of money and you do not get a debt. If you get a debt we can help you make a plan for you to pay back the money.

You can tell us about the changes by:

- visiting your local Services Australia (Centrelink) service centre
- talking to Services Australia (Centrelink) when they visit your community
- calling the Indigenous Call Centre on 1800 136 380
- using your Centrelink app or online account through myGov.

If you call us, you will need to tell us your Customer Reference Number (CRN) and answer some questions about who you are, so that we make sure it is you.

You can also ask for an interpreter when you call or visit us. We will provide one for free.
