What is JobSeeker Payment

JobSeeker Payment can help you when you do not have a job and need money while you look for work. It is also for when you are sick or injured and cannot do your usual work or study for a short time.

To get JobSeeker Payment you need to:

- be over 22 years old
- meet the income and assets test
- tell us information about yourself.

You will need your:

- Customer Reference Number this is also called a CRN
- ID, like a drivers licence, 18+ or student card to prove it is you or so our staff can find your CRN
- Tax File Number (TFN). If you do not have a TFN, our staff can help you get one. If you have a partner that lives with you, we will need their TFN as well.

If you cannot give us this information, you can speak to our staff and they can help you.

You will also need to start doing a JobSeeker Payment claim. You can start doing a claim by:

- visiting your local Services Australia (Centrelink) service centre
- using the phones and computers at your Services Australia (Centrelink) agent
- talking to Services Australia (Centrelink) when they visit your community
- calling the Indigenous Call Centre on 1800 136 380
- completing a claim online through MyGov.

You can ask for an interpreter when you visit or call us. We will provide one for free.

When you start getting JobSeeker Payment you will need to:

- go to your appointments with your job provider
- report to Centrelink every 2 weeks to get your payment
- tell us about any changes in your life within 14 days. Changes like:
- you start or stop working
- start or stop a relationship.

If you do not tell us of any changes you may get a debt and have to pay it back. If you get a debt we can help you make a plan for you to pay it back.
