Parenting Payment Single

You can get Parenting Payment Single if:

- you are single
- you have just had a baby
- you have a kid or kids that you look after.

You can change over to Parenting Payment Single from other payments like JobSeeker or Youth Allowance when you have a baby or start looking after a kid.

You can get Parenting Payment Single until your youngest kid turns 14 years old.

When you claim Parenting Payment Single, we need information from you like:

- your Tax File Number (TFN)
- if you have job, we need payslips so we pay you the right money.

You will also need to talk to us about Child Support.

When you start getting parenting money, you need to report to Centrelink within 14 days if you:

- get money from a job
- get any other money
- get a new partner or get back with the kids' mother or father
- have any changes in your life.

You can report by calling the Indigenous Call Centre or using your Centrelink app.

You need to report so you do not get a debt and have to pay it back.

If you have a debt, we can help make a plan to pay it back.

If you need more information you can:

- visit your local Services Australia (Centrelink) service centre
- talk to Services Australia (Centrelink) when they visit your community
- call the Indigenous Call Centre on 1800 136 380.

If you call us, you need to tell us your Customer Reference Number (CRN) and answer some questions about who you are, so that we make sure it is you.

You can also ask for an interpreter when you call or visit us. We will provide one for free.
