## Parenting Payment Partnered

You can get Parenting Payment Partnered if:

- you live with your partner
- you have just had a baby
- you are the parent that looks after your kid or kids the most.

You can change over to Parenting Payment Partnered from other payments like JobSeeker or Youth Allowance when you have a baby or start looking after a kid.

Only one parent can get Parenting Payment Partnered.

You can get Parenting Payment Partnered until your youngest kid turns 6 years old.

When you claim Parenting Payment Partnered, you need to bring information about:

- yours and your partners Tax File Numbers (TFN)
- if you or your partner have a job, we need payslips so we pay you the right money.

When you start getting parenting money, you need to report changes to Centrelink within 14 days, like:

- if you or your partner get money from a job
- any other money you and your partner get
- any changes about you and your partner.

You can report by calling the Indigenous Call Centre or using your Centrelink app.

You need to report so you do not get a debt and have to pay it back.

If you have a debt, we can help make a plan for you to pay it back.

### If you need more information you can:

- visit your local Services Australia (Centrelink) service centre
- talk to Services Australia (Centrelink) when they visit your community
- call the Indigenous Call Centre on 1800 136 380.

If you call us, you will need to tell us your Customer Reference Number (CRN) and answer some questions about who you are, so that we make sure it is you.

You can also ask for an interpreter when you call or visit us. We will provide one for free.
