Reporting for national holidays

Our service centres and most call centres are closed on big public holidays like:

- Christmas and New Year
- Easter
- Anzac Day

These are known as national public holidays.

When we are closed for these holidays your Centrelink reporting and payment dates may change.

If you report to get your payment you may need to do this early so we can pay you on your changed payment date.

If you do not report to get your payment you may still have a changed payment date.

You can check the changed reporting and payment dates six weeks before by:

- checking your Centrelink online account
- going to our website and checking on [Services Australia dot gov dot au forward slash holidays](https://www.servicesaustralia.gov.au)
- visiting your local Services Australia (Centrelink) service centre
- talking to Services Australia (Centrelink) when they visit your community
- calling the Indigenous Call Centre on 1800 136 380.

When you talk to us, you will need to tell us who you are and answer some questions, so we can make sure it is you.

You can also ask for an interpreter when you call or visit us. We will provide one for free.
